[Originally by Smashing Pumpkins]

Time is never time at all
You can never ever leave without leaving a piece of
youth
And our lives are forever changed
You can never be the same
The more you change the less you feel
Believe, believe in me, believe, believe
That life can change, that you're not stuck in vain
We're not the same, we're different
Tonight
Tonight, tonight, so bright
Tonight,
Ohh tonight
And you know you're never sure
But your sure you could be right
If you held yourself up to the light
And the embers never fade in your city by the lake
The place where Jon was born
Believe, believe in me, believe, believe
In the resolute urgency of now
And I believe there's not a chance tonight
Tonight, tonight so bright
Tonight
Oh tonight
We'll crucify the insincere tonight
We'll make things right, we'll feel it all tonight
We'll find a way to offer up the night tonight
The indescribable moments of your life tonight
The impossible is possible tonight
So believe in me because I believe in you, tonight,
Tonight, tonight, oh tonight
