OOOoooOooh, it's been so long
We're Sorry we've been gone
We were busy writing songs for you

OOOoooOooh, it's been so long
We're Sorry we've been gone
We've been busy writing songs for you
dont have to worry cuz we're still the same(still the same)

You don't have to worry
You don't have to worry
You don't

You don't have to worry
You don't have to worry
You don't

OOOoooOooh, it's been so long
We're Sorry we've been gone
We were busy writing songs for you
