Iâ€™ll be climbing another high mountain
I will climb and climb to see what lies far beyond all my
restrictions
A glimpse of a better me

Iâ€™ll be diving another deep ocean
I will dive and dive to reach for what lies beyond my
restrictions
A deeper me

Chorus:
I know many doors are waiting for keys in life
Waiting for courage to learn whatâ€™s kept hidden

Iâ€™ll be running another great distance
I will run and run to know what lies far beyond all my
restrictions
To run into a faster me

Iâ€™ll be loving another great challenge
I will love and love to feel what lies deep within my
inner chambers
Whereâ€™s the key!?

Chorus:
I know many doors are waiting for keys in life
Waiting for courage to learn whatâ€™s kept hidden
I know many doors are waiting for keys in life
Waiting for courage to learn whatâ€™s kept hidden

Keep moving on
Live and learn, the future lies open
Keep going strong
Search for the key, to open the next door

Now donâ€™t let words hold you back from dreaming
The future is yours and youâ€™re brave enough to
choose your path
And to embrace all that comes to you
All you can bear
Hidden by dreams, hidden: So it seems
The challenge your fear

The courage is here, unlock!

Chorus:

I know many doors are waiting for keys in life

Waiting for courage to learn what's kept hidden

I know many doors are waiting for keys in life

Waiting for courage to learn what's kept hidden
