Love is a razor and I walked the line on that silver blade  
Slept in the dust with his daughter, her eyes red with  
The slaughter of innocence  
But will pray for her.  
I will call her name out loud.  
I would bleed for her.  
If only I could see her now.  
Living on a razors edge.  
Balancing on a ledge.  
Living on a rasors edge.  
The evil that men do lives on and on....(4 times)  
Circle of fire my baptism of joy at an end it seems  
The seventh lamb slain, the book of life opens before  
me.  
But I will pray for you.  
And some day I may return.  
I would die for you.  
Beyond is where I learn.
