Death cab for cutie, sung it like a beauty
Stepped out forgetting danger has a duty
Lonely night
He wants to squeeze her tight

They murder for a dollar
No one hears your holler
Wrap up your baby
Then you'll be a scholar

Love stops knocking, your heart starts rocking
It's crime time, crime time
Love stops knocking, your heart starts rocking
It's crime time, crime time

Out on the main land, hit him with a right hand
Stepped on his ego, now he feels like a man
Do it right
It's a lonely fight

Playing Fats Waller
Lipstick on your collar
Back in 1950
People had their honor

Love stops knocking, your heart starts rocking
It's crime time, crime time
Love stops knocking, your heart starts rocking
It's crime time, crime time

They murder for a dollar
No one hears your holler
Wrap up your baby
Then you'll be a scholar

Ooh, I've gotto go, baby

They murder for a dollar
No one hears your holler
Wrap up your baby
Then you'll be a scholar

Love stops knocking, your heart starts rocking
It's crime time, crime time
Love stops knocking, your heart starts rocking
It's crime time, crime time

Love stops knocking, your heart starts rocking
It's crime time, crime time
Love stops knocking, your heart starts rocking
It's crime time, crime time

Love stops knocking, your heart starts rocking
It's crime time, crime time
Love stops knocking, your heart starts rocking
It's crime time, crime time
