{Popularity breeds content}

Give me time  
To realize my crime  
Let me love and steal  
I have danced inside your eyes  
How can I be real

Do you really want to hurt me  
Do you really want to make me cry

Precious kisses, words that burn me  
Lovers never ask you why  
In my heart the fire's burnin'  
Choose my color find a star  
Precious people always tell me  
That's a step, a step too far

Do you really want to hurt me  
Do you really want to make me cry  
Do you really want to hurt me  
Do you really want to make me cry

Words are few I have spoken  
I could waste a thousand years  
Wrapped in sorrow words are token  
Come inside and catch my tears

You've been talkin' but believe me  
If its true you do not know  
This boy loves without a reason  
I'm prepared to let you go

If it's love you want from me  
Then take it away  
Everything is not what you see  
It's over again

Do you really want to hurt me  
Do you really want to make me cry  
Do you really want to hurt me  
Do you really want to make me cry

Cry, cry, cry  
Cry, cry, cry  
Cry, cry, cry

Do you really want to hurt me  
Do you really want to make me cry  
Do you really want to hurt me  
Do you really want to make me cry

Do you really want to hurt me  
Do you really want to make me cry
