You say that you're misunderstood
But you like it that way
And then you say you're lonely
Well, that's the price you pay, yeah

And I don't think I love you
That's the cruelest game we play
But I love you that way

You're the perfect lover
Why don't you stay?
You're the perfect lover
Ain't it always that way

You feel a little twisted
You feel a little pain, yeah
You feel a little hateful
Don't worry, you'll feel that way again

(Don't cry, don't cry)
Just don't cry for me, yeah
Cry, don't cry, don't cry for me
Don't cry for me
(Cry)

You say that you're not beautiful
But you are in my eyes
You say my love's too heavy
Well, that comes as no surprise

You're a perfect lover
Why don't you stay?
You're the perfect lover
Ain't it always that way, yeah

You feel a little twisted
And you feel a little pain
You feel a little hateful
Don't worry, you'll fall in love again

Cry, don't cry
Don't cry for me, don't cry

Cry, don't cry
Don't cry for me

It's already over
There's nothing to say
It's already over
But you need to love to show you your way

Don't cry for me
(Don't you cry)
Don't cry
Don't cry for me
Don't cry
Don't cry for me
