Woman thank you
thank you
What we have is something special
something quite unique.
What we have should last forever
heaven at my feet.
I would give the world to you
girl
or anything you need.
There is nothing I won't do

oh
just promise that you'll never leave.

God thank you woman
,

Thank you
thank you for the joy that you give to me.
God thank you woman

Thank you
thank you for the joy that you give to me.

In this world you are my pleasure
no one can compete.
Happiness is hard to measure
woman you're so sweet.
I would give my heart to you
you're the air I breathe

There is nothing I won't do

oh
just promise that you'll never leave.
God thank you woman

...

When I'm alone at night
I think of love.
Well
baby
that's all right

but it ain't enough.
Won't you call me if you need me?
Won't you call me if you need me?
Won't you call me if you need me? I have loved!
God thank you woman
...

I would give the world to you
girl
or anything you need

Oh
God thank you woman

Thank you
thank you for the joy that you give to me.
Thank you
thank you for the joy that you give to me.
God thank you woman
...
God thank you woman
...
