Well you tried so hard to change the story
It was love but it was nothing new
Just a question of a moment's glory
For someone to take it all from you
You told me I was such a fool
First you were kind, then you were cruel
You taught me how to break the rules
And I said thank you baby
Gusto Blusto
If your loving is so good
Gusto blusto
I'd do it if I could
Gusto blusto
I'd love you if you would
Gusto blusto
Do it! Do it! Yeah!
Well you think you really have the answer
But I never made a move on you
I don't even get a chance to get what's coming
Baby that ain't all I do
Gusto Blusto
If your loving is so good
Gusto blusto
I wish you understood
Gusto blusto
I'd love you if you would
Gusto blusto
Do it! Do it! Yeah!
I give you good good loving
Sweet memories of you
You gave and taught me nothing new
Thank you baby
Gusto blusto
If your loving is so good
Gusto blusto
I wish you understood
Gusto blusto
I never break the rules
Gusto blusto
Don't you be so cruel
Wanna dance? Don't sit there
Do it now
