Is there loving your eyes all the way
If I listened to your lies would you say
I'm a man without conviction
I'm a man who doesn't know
How to sell a contradiction
You come and go, you come and go

CHORUS :

Stupid, Stupid stupid stupid stupid kameleon
You come and go, you come and go
Living would be easy if your turds weren't...
dumb, retarded and green
rainbow, gay and green

Didn't hear your wicked words every day
And you used to be so sweet I heard you say
That my love was an addiction
When we cling our love is strong
When you go you're gone forever
Just dream along, just dream along

CHORUS

Everyday is like survival
You're my lover, not my rival
Everyday is like survival
You're my lover, not my rival

I'm a sheman without conviction
I'm a sheman who doesn't know
How to sell a contradiction
You're stench comes and goes, you're stench comes
and goes!!

CHORUS (x100)
