Moving, moving  
Move away  
Move away

Spirit changed the conversation  
Stepping stones across the land  
I never wanted to be a hero  
I never wanted to be a man

I hurt you darling  
I made you cry  
I hurt you darling  
Don't ask me why

Move, move, move away from me darling  
I never said I'd hold your hand  
Move, move, move away from me darling  
I never said I'd understand  
If I could say this was Judgment Day  
You know I'd be a millionaire

I'm prepared to wear my sorrow  
Everywhere we go in town  
Ain't no need to beg or borrow  
While you're there to drag me down

I hurt you darling  
I made you cry  
I hurt you darling  
Don't ask me why, oh yeah

Move, move, move away from me darling  
I never said I'd hold your hand  
Move, move, move away from me darling  
I never said I'd understand  
If I could say this was Judgment Day  
You know I'd be a millionaire, yeah, yeah

Just right  
Move away  
I need you so  
I can't let go

Move away

I hurt you darling  
I made you cry  
I hurt you darling  
Don't ask me why, oh why

Move, move, move away from me darling  
I never said I'd hold your hand  
Move, move, move away from me darling  
I never said I'd understand  
Move, move, move away from me darling  
I never said I'd hold your hand  
If I could say this was Judgment Day  
I'd be a millionaire, oh yeah

Move away  
I never said that I'd hold your hand  
Move, move, move, away  
Why don't you move?  
I never said I'd understand  
Move away  
Move, move, move, away  
Why don't you move away?  
Move away  
Why don't you move away?
