Didn't know what time it was and the lights were low  
I leaned back on my radio  
"Some cat was layin' down some rock and roll, lotta  
soul", he said

Then the loud sound did seem to fade  
Came back like a slow voice on a wave of phase  
That weren't no DJ, that was hazy cosmic jive

There's a starman waiting in the sky  
He'd like to come and meet us  
But he thinks he'd blow our minds

There's a starman waiting in the sky  
He's told us not to blow it  
'Cause he knows it's all worthwhile

He told me  
"Let the children lose it  
Let the children use it  
Let all the children boogie"

I had to phone someone, so I picked on you  
Hey, that's far out so you heard him too  
Switch on the TV, we may pick him up on channel two

Look out your window, I can see the light  
If we can sparkle he may land tonight  
Don't tell your papa or he'll get us locked up in fright

There's a starman waiting in the sky  
He'd like to come and meet us  
But he thinks he'd blow our minds

There's a starman waiting in the sky  
He's told us not to blow it  
'Cause he knows it's all worthwhile

He told me  
"Let the children lose it  
Let the children use it  
Let all the children boogie"

Starman waiting in the sky  
He'd like to come and meet us  
But he thinks he'd blow our minds

There's a starman waiting in the sky  
He's told us not to blow it  
'Cause he knows it's all worthwhile

He told me  
"Let the children lose it  
Let the children use it  
Let all the children boogie"

La la la la, la la la la  
La la la la, la la la la  
La la la la, la la la la
