I know all there is to know
About the cryin' game
I've had my share
Of the cryin' game

First there are kisses
Then there are sighs
And then before you know where you are
You're sayin' goodbye

One day soon I'm gonna tell the moon
About the cryin' game
And if he knows
Maybe he'll explain

Why there are heartaches?
Why there are tears?
And what to do, to stop feeling blue
When love disappears

First there are kisses
Then there are sighs
And then before you know where you are
You're sayin' goodbye

Don't want no more
Of the cryin' game
Don't want no more
Of the cryin' game

Don't want no more
Of the cryin' game
Don't want no more
Of the cryin' game

No more
