War, war is stupid and people are stupid
And love means nothing in some strange quarters
War, war is stupid and people are stupid
And I heard the banging of hearts and fingers, war

People feel the world with narrow confidence
Like a child at birth, a man with no defense
What's mine is my own, I won't give it to you
No matter what you say, no matter what you do

Now we're fighting in our hearts
Fighting in the street
Won't somebody help me?

War, war is stupid and people are stupid
And love means nothing in some strange quarters
War, war is stupid and people are stupid
And I heard the banging of hearts and fingers, war

Man is far behind in the search of something new
Like a Philistine, we're burning witches too
This world of fate must be designed for you
It matters what you say, it matters what you do

Now we're fighting in our hearts
Fighting in the street
Won't somebody help me?

War, war is stupid and people are stupid
And love means nothing in some strange quarters
War, war is stupid and people are stupid
And I heard the banging of hearts and fingers, war

War, war, war

After the bird has flown
Walked ten thousand miles back home
You can't do that to me, no, you can't do that to me
You can't do that to me, no, you can't do that to me,
war, war

In this heart of mine, I'll find a place for you

For black or white, for grown-up children too

Now we're fighting in our hearts
Fighting in the street
Won't somebody help me?

War, war is stupid and people are stupid
And love means nothing in some strange quarters
War, war is stupid and people are stupid
And I heard the banging of hearts and fingers

War, war is stupid and people are stupid
(No more war, say no more war)
And love means nothing in some strange quarters
(Say war)

War, war is stupid and people are stupid
(Senso hantai, Senso hantai)
And I heard the banging of hearts and fingers
(Say no more war, say no more war)

War, war is stupid and people are stupid
(No more war, say no more war)
And love means nothing in some strange quarters
(And no more war)

War, war is stupid and people are stupid
(And no more war)
And I heard the banging of hearts and fingers
(War, I said no more war)

War, war is stupid and people are stupid
(No more war)
And love means nothing
