Breaking out of school  
Ain't really fooling no one  
I was sure I'd get my reward in time

Backing up the street  
With the smell of sweet sensation  
Didn't want to be another dime

Hidden in the pocket  
Of some unfortunate nation  
Didn't have no money  
Sure didn't have the time

Unfortunate thing, such an unfortunate thing  
Unfortunate thing, such an unfortunate thing  
But I fought with nothing  
But I fought with nothing, nothing, nothing

Laughing at the rumor  
That you've been screwing someone  
Laugh, better cry  
It could be your turn next time

Brother what a lover  
Beyond the fourth dimension  
He's got an ego  
That's bigger than yours and mine

Unfortunate thing, such an unfortunate thing  
Unfortunate thing, such an unfortunate thing  
But I fought with nothing  
But I fought with nothing, nothing, nothing

Don't call me Bwana  
Let it settle in your heart  
We move from children  
Into a business counterpart

Your head was shaking  
As I walked into the room  
A spirit breaking  
That's why I feel this way

That's why I feel this way  
That's why I feel this way  
That's why, why  
That's why I feel this way

Breaking out of school  
Ain't really fooling no one  
I was sure I'd get my reward in time

Backing up a street  
With a smell of sweet sensation  
Didn't want to be another dime

Unfortunate thing, such an unfortunate thing  
Unfortunate thing, such an unfortunate thing  
But I fought with nothing  
But I fought with nothing, nothing, nothing

Unfortunate thing
