Verse 1:

I was the kid who was afraid  
Afraid to be lonely, most of my days  
I miss my mother, she is gone  
I wish I wish  
She could hear me sing

Chorus:

Dallas here I come  
I'm afraid to be lost  
I'm afraid to be lonely  
Dallas here I come  
I'm afraid to be lost  
I'm afraid to be lonely  
I'm afraid to be lost  
I'm afraid to be alone

Verse 2:

I'm on a plane to Chicago  
I couldn't bear to bring my face  
Everything I knew that I wanted  
Has gone and I think it all needs to change

Chorus:

Dallas here I come  
I'm afraid to be lost  
I'm afraid to be lonely  
Dallas here I come  
I'm afraid to be lost  
I'm afraid to be lonely  
I'm afraid to be lost  
I'm afraid to be  
Out of love (4x)

(Repeat Chorus)
