What is this game?
What are we trying to play here?
IÂ'm giving you a lift home. (IÂ'm giving you a lift home)
So when I say, I love you.
IÂ'm meaning you.

So tell me that love never, (so tell me that love).
Say youÂ're done.

Chorus
Cause IÂ'll give you what you want.
And IÂ'll tell you everything about dreams, than this is.
Cause thatÂ's what you are to me.
And if they tell you who you want.
Just tell them that youÂ're loved by me, and
Everything you need, is that you and me.

What do you say?
Can you tell me something new?
I gave you his heart. (I gave you his heart)
So when you say, you love me.
You better mean it.

So tell me that love never, (so tell me that love).
Say youÂ're done.

Chorus
Cause IÂ'll give you what you want.
And IÂ'll tell you everything about dreams, than this is.
Cause thatÂ's what you are to me.
And if they tell you who you want.
Just tell them that youÂ're loved by me, and
Everything you need, is that you and me.

So wrap your arms around me baby,
