Have you ever been to a place
Where everything you dreamed
Or thought would be was there?
'Cause I have

Say it isn't so
Say it isn't so

If I'm lying you don't have to go

Say it isn't so
Say it isn't so

If I'm lying you dont have to go

Pack your bags pack your bags
We're moving
To a place to a place
That's near somewhere
We can be ourselves
And not change for anyone else

You wanna be a movie star
Or a doctor
You wanna drive a fast car
And have fans at your concerts
Well I'm telling you this is where you want to be

Now you're thinking clear
Now you're thinking clear
You wanna tag along and put it in gear
Now you're thinking clear
Now you're thinking clear
You wanna tag along and put it in gear

Pack your bags pack your bags
We're moving
To a place to a place
That's near somewhere
We can be ourselves
And not change for anyone else

Pack your bags pack your bags
We're moving
To a place to a place
That's near somewhere
We can be ourselves
And not change for anyone else

Pack your bags pack your bags
To a place to a place
Somewhere we can be ourselves
And not change for anyone else
