Follow Me In Suicide

Cut your veins and break your necks you angels of
despair
Squeeze your brains and jump into the lonely 'ternity
When your love is gone and you feel like a useless
corpse
When your gods are laughing about you and your ugly
face
This is time for action, time for sodomy and rape
This is time to spit between the eyes of Jesus Christ
All you broken hearts
All you broken fools
Follow me in suicide oh
Follow me into shit
Masturbation ain't that funny, it's a boring game
Self destruction is so attractive, it's the only choice
When your love is gone and you feel like a fallen
wanker
When your parents pray for your lost soul and their lost
money
This is time for orphans, time to wipe out all the morals
This is time for masochists, for devils, and for clowns
All you broken hearts
All you broken fools
Follow me in suicide oh
Follow me into shit
Cut your veins and break your necks you angels of
despair
Squeeze your brains and jump into the lonely 'ternity
When your love is gone and you feel like a useless
corpse
When your gods are laughing about you and your ugly
face
This is time for action, time for sodomy and rape
This is time to spit between the eyes of Jesus Christ
All you broken hearts
All you broken fools
Follow me in suicide oh
Follow me into shit
This is time for orphans, time to wipe out all the morals
This is time for masochists, for devils, and for clowns

All you broken hearts
All you broken fools
Follow me in suicide oh
Follow me into shit
