The machines are raping the machines  
The cum drips down the legs of humanity  
Slip slide, don't fall  
Stabilize, won't crawl  
Under muck spittle soil  
Within the serpent's coil

Within the serpent's coil

Blindfolded by your own fucking will  
Dive into the shit  
And swim for a while  
Peel the crust from all over your body  
And scrape the blood  
From your putrid fucking hands

Tragic mourning for chain release  
Uncovered plots of lies and deceit  
Venomous fangs facade  
Vice like tightening  
Wrapped up  
Smothering

Annihilate  
The nihilist

Positioned to strike  
Sleek slithering  
Skulking  
Strangulated fear  
Choke-hold weakens  
Cancer spreading  
Paralyzing

Detested, sickened minions  
Burrow to safety

March with the storm  
Whisper supremacy  
Conquer the throne of allegiance  
In this age of sadism  
Dominate until we expose you

Expose you  
We've exposed you  
For all the sheep to see

Revolt, shepherds have lost grace  
Revolt, serpentine race
