I've alred among the Ages  
I've tasted the Smell  
supreme  
revenge against the time

Mighty Shadow's blood  
in my veins  
I elevate my self  
so high  
I rule on will  
Mighty Shadow's blood  
in my veins  
I dominate  
I rise so high  
I lead through hate  
and time

The leading mark

on my skin  
the sign of an higher will  
I await my truth  
to be revealed  
I'm the one

Mighty Shadow's blood  
in my veins  
I elevate my self  
so high  
I rule on will  
Mighty Shadow's blood  
in my veins  
I dominate  
I rise so high  
I lead through hate  
and time
