What's goes on?
What's gone wrong in your mind?
This can't go on cause I aint blinde
Its not right
Youre moving on
Its what you want, and besides
Im getting on with my life
Its alright
So baby stop calling me
Hey, I'll be fine without you
I don't need you to be there for me
Don't think I'd cry for you baby, are you crazy?
And hey, maybe most the time
I don't even miss you holding me
Don't think I'd cry for you baby, are you crazy?
Im moving on
I hold my own, Im doing fine
Now you're gone and far behind
Its alright
Youre on the phone
Shed done you wrong
You changed your mind
You want me back, but babe this time
Im alright
So baby stop calling me
Hey, I'll be fine without you
I don't need you to be there for me
Don't think I'd cry for you baby, are you crazy?
And hey, maybe most the time
I don't even miss you holding me
Don't think I'd cry for you baby, are you crazy?
(baby stop calling me)
(baby stop calling me)
Hey, I'll be fine without you
I don't need you to be there for me
Don't think I'd cry for you baby, are you crazy?
(baby stop calling me)
And hey, maybe most the time
I don't even miss you holding me
Don't think I'd cry for you baby, are you crazy?
(baby stop calling me)

Hey, I'll be fine without you
I don't need you to be there for me
Don't think I'd cry for you baby, are you crazy?
