I was perched outside in the pouring rain  
Trying to make myself a sail  
Then I'll float to you, my darlin'  
With the evening on my tail

Although not the most honest means of travel  
It gets me there nonetheless  
I'm a heartless man at worst, babe  
And a helpless one at best

Darling, I'll bathe your skin, I'll even wash your clothes  
Just give me some candy before I go  
Oh darling, I'll kiss your eyes and lay you down on your  
rug  
Just give me some candy after my hug

Oh, and I'm often false explaining  
But to her it plays out all the same  
And although I'm left defeated  
It gets held against my name

I know you got plenty to offer, baby  
But I guess I've taken quite enough  
Well, I'm some stain there on your bed sheet  
You're my diamond in the rough

Darling, I'll bathe your skin, I'll even wash your clothes  
Just give me some candy before I go  
Oh darling, I'll kiss your eyes and lay you down on your  
rug  
Just give me some candy after my hug, oh

I know that they're writings on the wall  
But darling, I'll bathe your skin, I'll even wash your  
clothes  
Just give me some candy before I go  
Oh darling, I'll kiss your eyes and lay you down on your  
rug  
Just give me some candy after my hug

Oh, and I'll be there waiting for you  
Oh, I'll be there waiting for you

Oh, I'll be there waiting for you  
Oh, I'll be there waiting for you

Oh, I'll be there waiting for you  
Oh, I'll be there waiting for you

(Oh, I'll be there waiting for you)  
All the cutthroats and their jagged ends  
All of them have got me waiting and waiting  
(Oh, I'll be there waiting for you)  
All the cheap and the sugary philosophies  
Have got me on the fence just waiting and waiting

(Oh, I'll be there waiting for you)  
All the angels and their halos  
All they do is keep me waiting and waiting

(Oh, I'll be there waiting for you)  
All the cutthroats and their jagged ends  
All of them have got me waiting and waiting  
(Oh, I'll be there waiting for you)  
All the cheap and the sugary philosophies  
Have got me on the fence just waiting and waiting

(Oh, I'll be there waiting for you)  
All the angels and their halos  
All they do is keep me waiting and waiting
