Staring blankly  
As I pour some sugar in my coffee cup  
Glancing slightly  
As I watched some people patiently line  
Line themselves up  
Looking at a distance  
My attention was disturbed  
As your smoothin' silky presence  
Gallantly approached the curb  
Pretendin' that I know you  
I pervertedly just smile  
Knowing I am just invisible  
To your naked eyes  
Over a cup of coffee  
We could travel with our words  
The espresso shoots me up  
The surrounding is a blur  
Over a cup of coffee  
We are drinking drop by drop  
Thinkin' lovely lady  
Could you share with me  
Just another cup  
Move myself into a new position  
Oh hoh tryin' to get that better view  
Like a secret mission  
Watching every move you make  
Don't think it's time for me  
To take a little break  
Gotta keep it together  
I ain't goin' nowhere  
Been here like forever  
I just don't really care  
Over a cup of coffee  
We could travel with our words  
The espresso shoots me up  
The surrounding is a blur  
Over a cup of coffee  
We are drinking drop by drop  
Thinkin' lovely lady  
Could you share with me  
Just another cup

I'm glad I choose  
To start my day with a coffee toast  
I did not sleep all day  
Talk about how I spend my time away  
Ba da dap ba dap di dawl dey  
Ba da dap ba dap di don dey di dit dit  
Dey di dit dit  
Dey di dit dit  
Dey di dit dit  
Ooh hoh hoh hoh hoh hoh hoh  
Woh yeah yeah  
Over a cup of coffee  
We could travel with our words  
The espresso shoots me up  
The surrounding is a blur  
Over a cup of coffee  
We are drinking drop by drop  
Hopin' lovely lady  
Wishin' lovely lady-aca
