Darlin'  
My frustration  
It gets me, it gets me where it hurts me most.  
Like five rapid to the gut it's not so easy to see.  
And I've been gone far, far to long  
To expect you not to change even a little bit  
And I guess I hope I'm still the kind of guy  
Your needin for your fool.

Cuz life's a bowl here on the road and these four  
wheels  
Oh but something about the whole thing  
It doesn't feel real

Work my days for you  
Cuz I love you girl, I don't want you  
I need you  
And I can't see no other way

Darlin'  
I work my days for you  
Cuz I love you girl, I don't want you  
I need you  
And I can't see no other way

Ohhhhh this separation  
It really gets you thinkin  
And all those used up those days  
Well they've worn enough in the wind  
And I, I wonder if your half as innocent as you surely  
Or if you thank him for his time and just never call  
again

Oh oh  
And after all the lights and shows and long hope lanes  
It'd be you and me again  
But until then

I work my days for you  
Cuz I love you girl, I don't want you  
I need you  
I can't see no other way

Oh darlin'  
I work my days for you  
Cuz I love you girl, I don't want you  
I need you  
And I can't see no other way

Oohh live  
I'm home  
So love me  
And I'm home babe  
Oh so touch me

Yeah  
I'm home  
So kiss me, like you do  
Kiss me babe  
Baby  
But I'll do it for you

Ohh babe, yeaahhh babyyy  
I want you babe  
I'm, I'm home babe  
So take me in your arms  
Oh babe, baby  
Love me like you do  
Oh kiss me like you do  
And baby you bet I'll do it for you  
Ohh nooo  
Hold me like you do
