They tried to make me go to rehab but I said 'no, no,
no'
Yes I've been bad but when I come back you'll know
know know
I ain't got the time and if my mother thinks I'm fine
She's tried to make me go to rehab but I won't go go go

I'd rather be at home with ray
I've not got seventy days
Coz there's nothing
There's nothing you can teach me
That I can't learn from Mr Hathaway

I didn't get a lot in class
But I know it won't come in a shot glass

They tried to make me go to rehab and I said 'no, no,
no'
Yes I've been bad but when I come back you'll know
know know
I ain't got the time and if my mother thinks I'm fine
Oh, you tried to make me go to rehab but I won't go go
go

The man said 'why do you think you here'
I said 'I got no idea'
'I'm gonna, I'm gonna lose my baby
So I always keep a little bottle near'
He said 'I just think your depressed,
Well kiss me baby, and the rest

They tried to make me go to rehab and I wont go, no,
no
Yes I've been black but when I come back you wont
know know know...

I don't never wanna drink again
I just need a friend
I'm not gonna spend ten weeks
Have everyone think that I'm on the mend

It's not just about my pride
It's just til these tears have dried

You tried to make me go to rehab, but I wont go, no, no
Yes I've been black, but when I come back you'll know
know know
I ain't got the time and if my mother thinks I'm fine
They tried to make me go to rehab and I won't go no
no!
