[Swept Away]

"Paolo Santos"

I never had anything happen so fast
I took one look and I shattered like glass
I guess I let it show
'Cause your smile told me you knew
That you're everything I ever wanted at once
There's no holding this heart
When it knows what it wants
And I never wanted anything more than to know you
Can't you see I was swept away
No one in the world but you and I
Gotta find a way to make you feel the way that I do
I was swept away
Without a warning
Like night when the morning begins the day
I was swept away
And so it begins
This journey of love
The summer wind carries us
To places all our own
The words of a look
The language of touch
The way that you want me means so much
And I never wanted anything more than to love you
Can't you see I was swept away
No one in the world but you and I
Gotta find a way to make you feel the way that I do
I was swept away
Without a warning
Like night when the morning begins the day
I was swept away
Away - seeing my tomorrows in your eyes
I was swept away
I hope I wake up soon
I'm a victim of that crazy moon
The very first time you said my name
I knew it would never sound the same
Something about me is changed forever
Can't you see that I'm swept away
No one in the world but you and I

Gotta find a way to make you feel the way that I do
I am swept away
Without a warning
Like night when the morning begins the day
I was swept away
Away - seeing my tomorrows in your eyes
Gotta find a way to make you feel the way that I do
I was swept away
Without a warning
Like night when the morning begins the day
I was swept away
We were swept away
Dreamin' of you, swept away
