[Verse 1:]

...oh yah, oh yah...

If ever you wondered if you touched my soul yes you
do

Since I met you I'm not the same

You bring life to everything I do

Just the way you say hello

With one touch I can't let go

Never thought I'd fall in love with you...

[Chorus:]

Because of you, my life has changed, thank you for the
love

And joy you bring

Because of you, I feel no shame, I'll tell the world it's
because of

You

[Verse 2:]

Sometimes I get lonely and all I gotta do is think of you

You captured something inside of me

You make all of my dreams come true

It's not enough that you love me for me

You reached inside and touched me eternally

I love you best explains how I feel for you...

[Chorus:]

Because of you, my life has changed, thank you for the
love and the joy

You

Bring

Because of you, I feel no shame, I'll tell the world it's
because of

You

[Bridge:]

The magic in your eyes

True love I can't deny

When you hold me I just lose control

I want you to know that I'm never letting go

You mean so much to me I want the world to see,

It's because of you

[Chorus:]

Because of you, my life has changed, thank you for the
love and the joy

You

Bring

Because of you, I feel no shame, I'll tell the world it's
because of

You

My life has changed thank you for the love and the joy
you bring

Because of you, I feel no shame, I'll tell the world it's
because of

You...

[Spoken:]

Because of you
