For you

By: Paolo Santos

For you i give a life of stability

Anything you want of me

Nothing is impossible

For you there are no words

Or ways to show my love

Or all the thoughts i'm thinkin' of

Chorus 1:

Cause this life is no good alone

Since we've become one

I've made a change

Everthing i do now makes sense

All roads end

All i do is for you

For you i share the cup of

Love that overflows

And anyone who knows us knows

That i would change all faults i have

For you there is no low or high

Or in between

Of my heart that you haven't seen

Chorus 2:

Cause i share all i have and am

Nothing i've said is hard to understand

All i fear i feel deeper still

And always will

All this love is for you

Bridge:

Every note that i play

Every word i might say

Every melody i feel

Are only for you and your appeal

Every page that i write

Everyday of my life

Would not be filled without the things

That my love for you now brings

For you I'd make a promise of fidelity

Now and for eternity

No one could replace this vow

For you I'd take your hand

And heart and everything

And add to them a wedding ring
Chorus 3:
Cause this life is no good alone
Since we've become one
You're all i know
And if this feeling should leave I'd die
And here's why all i am is for you
Coda:
Everything i do now make sence
All roads end
All i do is for you
Only for you..
