The strands in your eyes that color them wonderful  
Stop me, steal my breath  
And emeralds from mountains thrust towards the sky  
Never revealing their depth

Tell me that we belong together  
Dress it up with the trappings of love  
I'll be captivated, I'll hang from your lips  
Instead of the gallows of heartache that hang from  
above

CHORUS

I'll be your cryin' shoulder  
I'll be loves suicide  
I'll be better when I'm older  
I'll be the greatest fan of your life

And rain falls angry on the tin roof  
As we lie awake in my bed  
You're My Survival, You're My Living Proof  
My love is alive and not dead

Tell me that we belong together  
Dress it up with the trappings of love  
I'll be captivated, I'll hang from your lips  
Instead of the gallows of heartache that hang from  
above

Chorus

And I've dropped out, I've burned up, I fought my way  
back from the dead  
Tuned in, turned on, remembered the things that you  
said

Chorus

The greatest fan of your life.
