Play with me tonight
Under these satin sheets
Well get our tongues twisted tight
Come one and play with me tonight
Our bodies will collide
Throw myself at you
Pretending I was flying
Long hard day
Looking forward to seeing you again
I took a shower in such a restless hour
Jumped into bed
Cant get it out of my head
I kept remembering
The time we spent alone
Celebrating fireworks
Which came out on it's own
Twisted creatures
Crazy for the night
In the darkness
Cant get you out of my sight
You take away my breath
You up against me
Sweat to sweat
Such a feeling that I can't describe
Whenever Im around you
I know, I know that Im alive
