from the very first time  
i laid my eyes on you, boy  
my heart says follow through  
but i know now that im way down  
on the line  
but the waiting feels just fine  
so dont treat me  
like a puppet on a string  
cos i know how to do my thing  
dont talk to me  
as if you think im done  
i wanna know when your gonna come..hmmm...

Ãœ i dont want to wait in vain  
for your love  
i dont want to wait in vain  
for your love  
i dont want to wait in vain for your love  
cos if summer is here  
im still waiting there  
winter is here  
and im still waitinf there  
i wanna know now

its been three years  
since im knocking on your door  
and i still can knock some more  
oohh boy...oohh boy...  
is it feasible?  
i wanna know now  
before i knock some more  
i / you say in life  
i know that there's a lot of dream  
but your love is my relief  
tears in my eyes burn  
tears in my eyes burn  
but im waiting,  
but im waiting for my turn  
see...

Ãœ

I wanna know now...  
I wanna know now...  
I wanna know now...  
I wanna know now...

ooh boy...  
ooh boy...

I wanna know now...
