(Verse 1)

I refuse to be a victom I refuse to be a slave
I keep on burnin' my bridges I keep on fuckin' up
everything
Runnin' from desperation, God knows where I've been
Don't know where I'm headin' But I'm goin to fast I think
gonna crash

Chorus:

I'm goin' to crash, I'm goin' to crash, to crash
It's time for annihilation it's time to be a criminal
No time for hesitation time to be an animal

(Verse 2)

Lookin' at my reflection don't like what I see
So I ask myself a question Do I got what I want, do I got
what I need
Not afraid of the future I'm spinnin' right out of control
Don't know where I'm headin' But I'm goin' to fast I
think gonna crash

Chorus:

I'm goin' to crash, I'm goin' to crash, to crash yeahh!
It's time for annihilation it's time to be a criminal
No time for hesitation time to be an animal(X2)

(SOLO)

(Verse 3)

I refuse to be a victom. Don't wanna fall again
I know where I'm headin', God knows where I've been

Chorus:

I'm goin' to crash (X8)
It's time for annihilation it's time to be a criminal
No time for hesitation time to be an animal(X2)
