This music is my time  
To reel out and rewind  
I'll be brutal with truth  
I'd rather be honest with my soul  
Be the pile of trash  
A bum picks through to get a bite to eat  
I'm filthy  
I'm horny  
I'm dirty nasty dirty

I'm strong and fearless  
Only 'cause I got rock 'n' roll  
I'm knee-deep in our blood  
Only 'cause I got rock 'n' roll

C'mon  
Baby c'mon  
Yeah  
Baby c'mon  
Break it

Crazier than I ever was  
I'm bloodied up I beat my skull in  
Comin' home in a body bag  
And I'm ready to die for rock 'n' roll  
I can't change the world  
I can only change myself  
I'm as sharp as a knife  
As high as a kite  
Demented as the night is long

I'm not sheddin' a tear  
I'm blowin' some steam  
Stuck in between  
Living a dream

Baby c'mon
