The media is the seduction of human desire (set their
money, set their money, on fire), if you try to sell me
the truth

Then I know you're a liar, a liar

[Chorus]

It's the tyranny of normality, it's the tyranny of
normality

Our culture has become complacent, and has no desire
(take back, take back our empire), and the ethical
slaughter of

Truth needs to be retired, retired

[Chorus]

It's the death of outrage!! I want to turn a new page!! I
mourn the death of our age, the obituary's on the front
page!!

Since the death of outrage, I want to turn a new page!!
I mourn the death of our age, the obituary's on the
front page,

It's the death of outrage, i mourn the death of our age,
the obituary's on the front page

[Chorus]
