This could be my last confession  
This could be my last defense  
I wish that we could learn our lesson  
I wish that we could make amends and turn the page

As far as I remember  
It was a thing to forgive and forget  
You said that you would let go  
But I guess you didn't mean what you said  
Now it's time to surrender  
Cause I don't wanna live with regret  
And nothing lasts forever  
As far as I remember

This could be a new beginning  
Or this could be a brutal end  
I wish that we could stop pretending  
I wish that we could make amends and turn the page

As far as I remember  
It was a thing to forgive and forget  
You said that you would let go  
But I guess you didn't mean what you said  
Now it's time to surrender  
Cause I don't wanna live with regret  
And nothing lasts forever  
As far as I remember

I'd rather die on my feet  
Than live my life on my knees  
I'd rather die on my feet  
Than live my life on my knees  
I'd rather die on my feet  
Than live my life on my knees

As far as I remember  
It was a thing to forgive and forget  
You said that you would let go  
But I guess you didn't mean what you said  
Now it's time to surrender  
Cause I don't wanna live with regret

And nothing lasts forever  
As far as I remember

I'd rather die on my feet  
Than live my life on my knees  
I'd rather die on my feet  
Than live my life on my knees  
(As far as I remember)  
I'd rather die on my feet  
Than live my life on my knees  
(As far as I remember)  
I rather die on my feet  
Than live my life on my knees
