You better put that down
You better put that down

All I need is a bottle
And I don't need no friends no
Wallow in my pain
I swallow as I pretend
To act like I'm happy
When I drink till no end no
I'm losing all my friends
I'm losing in the end
And she says

Behave little boy
You better sit back down
Till you hold your ground
It's your turn to learn to fight
You better sit back down
Till you hold your ground

When I'm sober life bores me
So I get drunk again yeah
I'm losing all my friends
I'm losing in the end
She says

Behave little boy
You better sit back down
Till you hold your ground
It's your turn to learn to fight
You better sit back down
Till you hold your ground
Yeah

You better sit back down
You better put that down
Put the bottle down
I am on a binge

Behave little boy
You better sit back down
Till you hold your ground

Its your turn to learn to fight
You better sit back down
Till you hold your ground
Yeah

I am on a binge
I wish things would change
Wish theyd rearrange
Im on a binge
I wish things would change
Wish theyd rearrange
I am on a binge
Im on a binge
Yeah yeah
