I've been looking for something sacred
Running away from the light
Got a burn all the bridges in my head
That will lead my away from my life

I question my own existence
Question the meaning of life

Why don't you carry me
Why don't you carry me
I can't move on
I can't live on
Carry me
Why don't you carry me
I can't save me
I am crazy

Without you,

It takes horns to hold up my halo
And strength to get trough the fight
Now I'm laying my cards on the table
Praying everything will be alright

I question my own existence
Question the meaning of life

Why don't you carry me
Why don't you carry me
I can't move on
I can't live on
Carry me
Why don't you carry me
I can't save me
I am crazy

Without you,

The hardest ones to love
Are the ones who need it most
The hardest ones to love
Are the ones who need it most

The hardest ones to love
Are the ones who need it most
The hardest ones to love
Are the ones who need it most

Why don't you carry me
Why don't you carry me
I can't move on
I can't live on
Carry me
Why don't you carry me
I can't save me
I am crazy

The hardest ones to love
Are the ones who need it most
The hardest ones to love
Are the ones who need it the most
The hardest ones to love
Are the ones who need it most
The hardest ones to love
Are the ones who need it the most

Carry me
Carry me
Carry me
Carry me
