I refuse to be a victim
I refuse to be a slave
I keep on burning my bridges
I keep on *** up everything

Running from desperation
And God knows where I've been
I don't know where I'm headed
But I'm going too fast
I think I'm going to crash

I'm going to crash
I'm going to crash
To crash

It is time for annihilation
It's time to be a criminal
No time for hesitation
Time to be an animal

Looking at my reflection
I don't like what I see
So I ask myself a question
Do I got what I want?
Do I got what I need?

I'm not afraid of the future
I'm spinning right out of control
Don't know where I'm headed
But I'm going too fast
I think I'm going to crash

I'm going to crash
I'm going to crash
To crash, yeah!

It is time for annihilation
It's time to be a criminal
No time for hesitation
Time to be an animal

It is time for annihilation

It's time to be a criminal
No time for hesitation
Time to be an animal

I refuse to be a victim
I don't wanna fall again
I know where I'm headed
God knows where I've been

I'm going to crash
I'm going to crash
I'm going to crash
I'm going to crash

I'm going to crash
I'm going to crash
I'm going to crash
I'm going to crash

It is time for annihilation
It's time to be a criminal
No time for hesitation
Time to be an animal

It is time for annihilation
It's time to be a criminal
No time for hesitation
Time to be an animal

Live, love, life
Live, love, fight
Live, love, life
Live, love, fight
