Dead president, fuck the president  
Nations strive for power  
While I work to save my residence  
He owns you even though he never told you  
Mark of the beast on your hand  
Now he owns you  
Thrown down to the bottom level  
Ruled by the fist  
And the fist is a devil  
I metamorphosis, make myself level

We are the future  
We are right now

Right now, I'm taking a stab at the sic, sic, sic  
I know what evil is and evil could suck my dick  
Like Sam Hain and the God ain't no joke  
Better watch your neck  
'Cause you might get choked

We are the future  
We are right now  
Fuck the futrue

You sink we swim  
We rise you fall  
We meet our fate together  
I was here from the start  
And I'll be here in the end

In the end

I'm dodging arrows from the dark side every day  
And I'm a main target 'cause of what I say  
If I nearly always go against the grain  
And crushing everything before it takes your brain  
Thrown down to the bottom level  
Ruled by the fist  
And the fist is a devil  
I metamorphosis, make myself level

Yeah Come on

Yeah Come on

We are the future  
We are right now  
Fuck the futrue

You sink we swim  
We rise you fall  
We meet our fate together  
I was here from the start  
And I'll be here in the end  
In the end

Legacy  
Legacy  
Legacy  
Legacy

I was here from the start  
And I'll be here in the end  
In the end

Legacy  
Legacy  
Legacy  
Legacy.
