"Hanging On"

When I was a boy,
I didn't care about a thing
It was me in this world
and a broken dream
I was blaming myself
for all that was going wrong

I was way out there
On the wrong side of town
And ones that I love
I started pushing around
Then I realized
that it was all my fault

I'm hanging on
I'm not where I wanna be
I keep finding myself
in the places that I
Could not see

So I put out my hand
and I ask for some help
redrawing the walls
I built around myself
I was struck by the light
And I fell to the ground

I'm hanging on
I'm not where I wanna be
I keep finding myself
in the places that I
could not see

Somebody save me
I'm going crazy
