God bless the coffin they carry me off in
God bless the coffin they carry me off in
They carry me off in

Iâ€™ve walked amongst the living dead
And Iâ€™m sick of the voices that are in my head
Iâ€™ve taken the ride and Iâ€™ve danced with death
I had nine lives and Iâ€™ve got one left

Cause Iâ€™ve got what you want
You've got what I need
Letâ€™s get together and keep me forever
Yeah waaaaaaahh!

Iâ€™m harder than a coffin nail
Iâ€™ve been to heaven; Iâ€™ve been to hell
Iâ€™m harder than a coffin nail
Iâ€™ve been to heaven; Iâ€™ve been to hell

I never thought Iâ€™d need someoneâ€™s help
(I donâ€™t need your help)

â€™Cause Iâ€™ll handle it all and do it by myself
(Iâ€™ll do this by myself)

I'm never alone â€™till I hit rock bottom
(Iâ€™m not afraid to fall)

Iâ€™m so fucking stubborn and so fucking rotten

(Hit the bottom)

Cause Iâ€™ve got what you want
You've got what I need
Letâ€™s get together and keep me forever
Yeah waaaaaaahh!

Iâ€™m harder than a coffin nail
Iâ€™ve been to heaven; Iâ€™ve been to hell
Iâ€™m harder than a coffin nail
Iâ€™ve been to heaven; Iâ€™ve been to hell

God bless the coffin they carry me off in...
God bless the coffin they carry me off in...

Cause Iâ've got what you want
You've got what I need
Letâ's get together and keep me forever
Yeah waaaaaaahh!

Iâ'm harder than a coffin nail
Iâ've been to heaven; Iâ've been to hell
Iâ'm harder than a coffin nail
Iâ've been to heaven; Iâ've been to hell

God bless the coffin they carry me off in!
God bless the coffin they carry me off in!
