The wicked game  
That you play so good  
I'm falling hard  
Just like you knew I would

This wont last  
It's too good  
I can't stop but I know I should

[Chorus]  
Days of the war and the nights of love  
Heaven's on fire and I'm on the run  
Dancing with the devil in the midnight sun  
I'm falling in love  
I'm coming undone  
I'm coming undone(I'm coming undone)

I'm out of my head  
In a memory of you  
I'll never forget  
What you put me through

It wasn't right what you did  
But I was just as wrong as you

[Chorus]  
Days of the war and the nights of love  
Heaven's on fire and I'm on the run  
Dancing with the devil in the midnight sun  
I'm falling in love  
I'm coming undone

Days of the war and the nights of love  
Heaven's on fire and I'm on the run  
Dancing with the devil in the midnight sun  
I'm out of my head  
I'm coming undone

[Bridge]  
I'm on the outside lookin in  
I turned my back on myself again  
I'm on the ledge I'm calling out

Somebody better come and tuck me down  
I said I'm never do it again  
But then I'm keep on givin in  
I gotta turn my world around  
Because it keeps on knocking me down

Knockin me down  
I fell hard  
It felt good

This wont last  
I wish it would  
It wasn't right what you did  
But I was just as wrong as you

[Chorus]  
Days of the war and the nights of love  
Heaven's on fire and I'm on the run  
Dancing with the devil in the midnight sun  
I'm falling in love  
I'm coming undone

Days of the war and the nights of love  
Heaven's on fire and I'm on the run  
Dancing with the devil in the midnight sun  
I'm out of my head  
I'm coming undone

[Outro]  
I'm on the outside lookin in  
I turned my back on myself again  
I'm on the ledge I'm calling out  
Somebody better come and tuck me down

I swear I never do it again  
But then I keep on givin in  
I gotta turn my world around  
Because it keeps on knocking me down

Knockin me down  
Knockin me down  
Knockin me down  
Yeah
