(1) Somewhere beyond happiness and sadness
I need to calculate
what creates my own madness
and Iâ€™m addicted to your punishment
and youâ€™re the master
and I am waiting for disaster

Chorus-

I feel irrational
So confrontational
To tell the truth I am
getting away with murder
it is impossible
to never tell the truth
but the reality is Iâ€™m getting away with murder
(Getting away, Getting away, Getting away)

(2) I drink my drink and I donâ€™t even want to
I think my thoughts when I donâ€™t even need to
I never look back cause I donâ€™t even want to
and I donâ€™t need to
because Iâ€™m getting away with murder

(Chorus)

(Getting away, Getting away, Getting away, Getting
away, Getting away, Getting away with murder)

(bridge) Somewhere beyond happiness and sadness
I need to calculate
what creates my own madness
and Iâ€™m addicted to your punishment
and youâ€™re the master
and I am craving this disaster

Chorus(x3)
