Remember the girl
Abused with forks knives and razor blades

Remember the girl
Abused with forks knives and razor blades
She finally left him
Had enough of her mans rage
Band aids covered her scars she left him bloodied
Beat his ass with a bat
Face sunk in like silly putty
Yall can sit back so I could study
Destruction of the family design
And how the morals of society decline
Essentially its beats to rhyme like grapes to wine

Its alright
Were in love
Cant live with
Or without

You see she cant live with him
And cant live without him
Stress got her down she need to deal with the problem
As the drama gets deeper
I puff on the reefer
Took the last step and sent his ass to the reaper
Chaos is what she saw in the mirror
Scared of herself and the power that was in her
It took over
And weighed heavy on her shoulder
Militant insanity is now what controlled her

Its alright
Were in love
Cant live with
Or without
Its alright
Were in love
Cant live with
Or without

Were in love

Were in love

Kill it before it reaches you
Missiles wont work its approaching the mainland
What if it reaches the metropolitan areas
Cosmopolitan areas
Secure the lines and prepare for departure

Calm calm calm
It is a a big business
And seems to be
Advancing underground
'cause my style is yo is underground
Im green
With my red eyes mad tint
Flea fly flo
Rapido rapido
She feeds plentiful
Electrifying the nation
Electrifying the nation

Dont you see that were in danger
How will we stop it
She is attacking
Dont you see that we are in danger
How will we stop it
She is attacking

Sucka
Danger danger
Sucka
Danger danger
Sucka
Danger danger
Sucka
Danger danger

Running out
Were running out
Running out of time
Running out
Were running out
Running out of time
Running out
Were running out
Running out of time
Running out
Were running out

Its alright
Were in love

Cant live with
Or without
