It feels like I'm looking at life  
Through a telescope because I'm so high  
The ground never seemed so far away  
Truth shall be told one day  
I'll be under ground one day

I've got a wife that'll putt roses on my grave  
I've got a wife that'll putt roses on my grave  
Roses on my grave

Feels like I'm looking at life  
Through a telescope because I'm so high  
And the ground never seemed so far away  
Truth shall be told one day  
I'll be under ground one day

I've got a wife that'll putt roses on my grave  
I've got a wife that'll putt roses on my grave  
I've got a wife that'll putt roses on my grave  
I've got a wife that'll putt roses on my grave

Roses on my grave

Don't forget me  
Don't forget me

Please forgive me  
Don't forget me

It's my redemption  
Time for redemption  
Time for redemption

It's my redemption  
It's my redemption  
Time for redemption  
Time for redemption

I'll see you on the other side  
I'm waiting on the other side

I'll see you on the other side

I'm waiting on the other side
