****THIS IS BY REMY ZERO****

I feel the wings have broken in your hands,
I feel the words unspoken inside...
And they pull you under,
And I will give you anything you want, oh
You are all I wanted,
All my dreams are fallin' down,
Crawlin' round and round and round

Somebody save me!
Let your warm hands break right through it,
Somebody save me,
I don't care how you do it, just
Stay (with Me), stay
C'mon, I've been waiting for you,

I see the world has folded in your heart,
I feel the waves crash down inside,
And they pull me under,
And, I would give you anything you want, oh
You are all I wanted,
All my dreams have fallen down,
Crawlin' round and round and round

Somebody save me,
Let your warm hands break right through,
Somebody save me,
I don't care how you do it, just
Stay(with Me), stay
C'mon, I've been waiting for you,

Crawlin' round and round and round

Somebody save me,
Let your warm hands break right through,
Somebody save me,
I don't care how you do it,
Just stay, stay(with me)
I made this whole world shine for you...
Just stay(with me), stay

Cmon, IÂ'm still waiting for you
