I know you wanted me to keep my mouth shut  
Because you hate it when I speak my mind  
I suffer through it but it feels so messed up  
Like my opinion is a waste of time

We never wanted it to be this way  
They never listen to a word we say

So scream your heart out, you are the chosen  
You gotta show them silence is the enemy  
Scream it out loud, we are the broken  
We gotta show them silence is the enemy

You take your needles and sew my mouth shut  
But you will never hear the last of me  
This is the reason that we're all so fucked up  
You are the reason that we don't believe

We never wanted it to be this way  
They never listen to a word we say

So scream your heart out, you are the chosen  
You gotta show them silence is the enemy  
Scream it out loud, we are the broken  
We gotta show them silence is the enemy

(Woa oh oh) Scream it out loud  
(Woa oh oh) Silence is the enemy  
(Woa oh oh) Scream it out loud  
(Woa oh oh) Silence is the enemy

You gotta show them silence is the enemy

Scream your heart out, you are the chosen  
You gotta show them silence is the enemy  
Scream it out loud, we are the broken  
We gotta show them silence is the enemy

(Woa oh oh) Scream it out loud  
(Woa oh oh) Silence is the enemy  
(Woa oh oh) Scream it out loud  
(Woa oh oh) Silence is the enemy

Scream it out loud !  
Silence is the enemy
