GO
THAT'S RIGHT
GO, GO, GO

I'm the one stepping up
Spit the fire I'll back it up
Count me in I'll turn it out
I'm killin it, you're burnin' out
Never change, never break
I'm the real, you're the fake
Set it off, go underground
You feelin it, this future sound

(Pre-Chorus)
Non stop, devastating everything
On top, never coming down
I've got my hands in everything
Non stop, I'm never coming down

(Chorus)
We're just living for today
Keep our light on in the haze
Yeah forever we will stay
We are the one still swingin
We are a beacon in the dark
A lighthouse risen from the heart
We've been here from the start
We are the ones still swingin

I'm dangerous, passionate
Watch your back they stabbing it (1)
Hold on and hold tight
I'll slash their faces everynight
We don't belong, never will
Never cared, we always kill
Suit me up and I will attack
'Cause PRoach is the new black

(Pre-Chorus)
Non stop, devastating everything
On top, never coming down
I've got my hands in everything

Non stop, I'm never coming down

(Chorus)

We're just living for today
Keep our light on in the haze
Yeah forever we will stay
We are the one still swingin
We are a beacon in the dark
A lighthouse risen from the heart
We've been here from the start
We are the ones still swingin

(Bridge)

We are the ones still swingin
We are the ones still swingin

(Pre-Chorus 2)

I'm going non stop, I'm devastating everything
On top, I'm never coming down
I've got my hands in everything
Non stop, I'm never coming down

(Chorus)

We're just living for today
Keep our light on in the haze
Yeah forever we will stay
We are the one still swingin
We are a beacon in the dark
A lighthouse risen from the heart
We've been here from the start
We are the ones still swingin

We are the ones still swingin
We are the ones still swingin
