(make some noise)

Sweet emotion

Sweet emotion

You talk about things and nobody cares
You're wearing other things that nobody wears
You're calling my name but you gotta make clear
I can't say baby where I'll be in a year

rok n' roll !!!

Some sweet talkin' mama with a face like a gent
Said I'll get up and go, must have got up and went
Well I got good news, she's a real good liar
'Cause the backstage boogie set your pants on fire

fire !!!!

fire !!!!

fire !!!!

Sweet emotion

Sweet so sweet emotion

I pulled into town in a police car
Your daddy said I took it just a little to far
You tell me other things but your girlfriend lied
You can't catch me 'cause the rabbit gone died
